## VIEW FROM THE BRIDGE

Welcome to winter. I am writing this we are experiencing our first snowfall.

Fortunately, we have wonderful cruises to look forward to this spring, summer and fall. **Laura Gwinn** and **Noreen McGuire**, with other members, have put together a full cruising schedule for this year which is on the web and page 14.

We also have a full schedule for the next two months. We have the Regional Brunches this month. March includes the Spring Training on March 16, the March Brunch, General Membership Meeting and Board Meeting March 17. Look for other events in the Fleet Exercises.

Ever dreamed of sailing in Sweden? I understand there are gentle winds and lovely islands. You now have the opportunity. **Deb Kauffman** has put together a bareboat in August, 2019, at least one week and potentially two weeks. Look in your email for the flyer or on the bareboat site on the web.

Your Board and committee chairs are working well. All chair positions are filled except for Social Chair which has a great committee. Anyone want to step up? Great way to get to know members of the club and be involved.

We honored several of our members at the Awards banquet on January 26.. **Doug Gage** who has done a great job handling the finances for bareboats over several years as well as other tasks, received the Commodore's Award. **Lorraine Fassett** received the Elli Abramson Education Award. Some of her work includes managing the Fireside Chats for several years. **John McDonald** received the Ed Kline Member of the Year Award for his stellar work on the website. **Mary Ellen Murphy**, who has done a yeoman's job as Social

chair, and **Mike Sommer**, who has performed great service for the club in his first years of membership, have received the Rookie of the Year Award.

One of the things I have found most interesting is how many sailing clubs, including singles clubs, there are throughout the U.S. When Alex and I were in Fort Myers last winter, we were reciprocal members with the Southwest Florida Sailing Club, the most cruising club in the United States. They have 35 cruises a year. Of course, they do not have to pull their boats for the winter... One of their cruises is a cruise to the Bahamas for several weeks. Alex and I were able to attend their Valentine's Day dance, some of their happy hours and one of their cruises. Very welcoming group. **Dave Tuttle** and **Marty Smith** from SOS now live in that area in Florida and are involved in a Singles sailing group there.

In my travels, I have found a singles sailing group in Alameda, California (across from San Francisco). There is also a sailing group in Seattle for singles that started out as only sailboats, and because it members were getting older changed its name so that it could include power boats and trawlers. Looking at these other clubs may give us ideas for membership and events for our club. What are your experiences? Let me know through the Commodore email. It is interesting to see their experiences, especially in light of the SOS His Story/HER story, on the web under "About SOS" with history from two of our former commodores.

Hope to see you at an event soon. If I do not know you already, please come up and introduce yourselves. Spring training is a great event to invite a potential new member.

See you soon.

**Becky**

## Spring Training March 16, Saturday

Spring Training will be an all-day program held on the campus of Anne Arundel Community College (AACC) in Arnold, MD

Our Spring Training team has put together a program of sailing experts to engage all levels of sailors – novices to world class cruisers.

You can individually tailor your day of sessions to match your interests. Sessions you can choose from include: sail trim, navigation, safety, docking, boat maintenance, handling, and more. What you'll learn at SOS Spring Training can help make you a better sailor for spring, summer and fall.

See pages 9-13 for more details about the sessions and registration information. Be sure to sign up right away, so you can get the sessions you want.

See you there!

## CPR/AED and First Aid for Mariners March 9, Saturday

Take advantage of this opportunity to become CPR Certified by Annapolis Fire Department emergency medical personnel at half the cost you would pay elsewhere. Because SOS encourages you to learn and maintain skills in CPR (cardiopulmonary resuscitation), the use of the Automated External Defibrillator (AED) and in first aid... SOS pays half the cost of the training. Whether you are learning these techniques for the first time, or recertifying, there is always more to learn. Recommended procedures are always being updated.

The training will be held at the Annapolis Fire Department, 620 Taylor Avenue, Annapolis, MD 21401. TEL: 410-263-1116. The class will start at 9:00 AM and run to approximately 4:00 PM. Your cost is \$40.00, which includes coffee and a light breakfast, as well as lunch. Class size will be limited. If you have any questions, contact Joan Tannen at [jtkeuka@gmail.com](mailto:jtkeuka@gmail.com).

Sign up on SOS web page Events Calendar.

## More Medical Training Opportunities at Spring Training

You've heard of CPR training and its life-saving importance? In recent years the Department of Homeland Security has promoted a Stop the Bleed campaign based on research that bleeding in the moments before the arrival of first responders, lives can be saved with this simple but important training.

Stop the Bleed is a national awareness campaign and call-to-action. It is intended to cultivate grassroots efforts that encourage bystanders to become trained, equipped, and empowered to help in a bleeding emergency before professional help arrives. No matter how rapid the arrival of professional emergency responders, bystanders will always be first on the scene.

A person who is bleeding can die from blood loss within five minutes, therefore it is important to quickly stop the blood loss. Those nearest to someone with life threatening injuries are best positioned to provide first care. Through health centers, hospitals, fire departments, and organizations, certified trainers provide this life-saving training in the simple skills and techniques that make a difference.

This year, SOS is providing Stop the Bleed training as part of its Spring Training Emergencies on the Bay sessions. With the expertise of two of our members who are registered nurses (including Chuck Fort, a certified Stop the Bleed trainer), participants in the "Name of the Session" (see A-3 or B-1 selections) will receive first aid strategies for common sailing health and first aid situations and be certified in Stop the Bleed.

## Wonderful Winter Fireside Chats Still Await You

January 2019 is now a thing of the past but there are Fireside Chats yet to be enjoyed.

Combine a welcoming home, good food and drinks along with exciting and informative programs that will be presented by various, multifaceted members of SOS.

For those living in the Frederick and West Howard County area Janet Gonski will offer the opportunity to view and make your own nautical art on **February 9**. On **February 23** in Bethesda Emil Becker presents his transit through the Panama Canal by sailboat. Also on that date, Sandy Rosswork in Annapolis will take us into the watery environment of south western Africa with its spectacular flora and fauna.

March enters with Debra Roane offering another opportunity on **March 2** to view the photos of the African adventure. In Annapolis on **March 9**, Anne George will fill us in on sex in the Chesapeake Bay as it relates to oysters, crabs and jellyfish. Oh my!

Each one of these presentations is guaranteed to ease the blahs of winter so check the Fleet Exercises and Shore Leave section of your Whiskerpole and sign up early. You will be glad you did.

## Scuttlebutt

**Mary Moore** would like to give a big shout out of appreciation to John Parsons for spending three separate days with her winterizing *Water Music* after he and Nancy sold her to Mary. John went above and beyond teaching her how to take good care of a boat. His maintenance notes were impeccable and attention to detail impressive. Mary also wants to thank Nancy for making her beautiful custom dinner napkins with the new name on them as well as giving me a good initial tour in the beginning. Additional thank you's to Teresa Scofield, Suzanne Vaughn, and Kathy Haven for helping Mary take *Water Music* from Casa Rio to her dock in Glebe Bay, then Laura Gwinn and Lorraine Fawcett for helping Mary take her back to Casa Rio a few weeks later for laying up and taking the sails off.

Here is a picture of Mary and crew before leaving on the maiden voyage. The second photo shows the boat with the new name, *Blue Wolf*. The graphic is from a family coat of arms and represents valor and courage!

Mary is looking forward to many club sails next year and sends her thanks to SOS.

SOSer **Carolyn Smith** has her finger on the pulse of what is happening in Annapolis. One event was the International Club of Annapolis dinner/meeting with guest speaker Kirsti Kauppi, Finnish ambassador to the U.S.. Carolyn invited **Ron Pence** to go along since his brother Bob is the U.S. ambassador to Finland. It was old home week since Ron met Kirsti (and Mike Pence) at Bob's swearing in in April. It was a nice dinner and speech by the very pleasant and knowledgeable Ms. Ambassador. We got to sit at the head table and Ron was introduced along with the ambassador and the rest. Both Ron and Bob were mentioned by Ambassador Kauppi during her speech. The oos from the audience were probably the other SOSers in attendance, **Pat Randall, M aureen and Fran Wright**.

**Deadline: March 11th for online registration; March 5th postmark for mail-in paper registration**

### Registration Instructions

Spring Training is both a fun and educational event that includes many new members and non-members who are unfamiliar with the "routine." We ask that all registrants read the instructions below before calling with questions.

Cost: \$55.00 Member, \$63 after deadline, 75.00 Nonmembers and walk-ins.. Included in the cost is a \$5.00 non-refundable fee in the event that Spring Training is cancelled for any reason, including weather. See snow emergency instructions on page 9.

Please note that classes are filled on a first-come first-served basis, so don't delay registering! **Online registrations cannot be modified, so register carefully.** Registration for specific classes is limited. SOS reserves the right to adjust the class schedule to meet demand for key classes. Upon arrival, check in at the registration desk and pick up your class materials. Please be prompt and courteous; speakers are volunteers as are all the administrative staff.

**Anne Arundel Community College is a non-smoking and alcohol-free campus, including the parking lot. Please do not smoke or consume alcoholic beverages anywhere. Morning coffee and a buffet lunch are included in the cost of registration. Please note, however, that no food or drink is allowed outside the cafeteria.**

#### **To register online:**

- **We encourage online registration.** Go to the website, [www.singlesonsailboats.org](http://www.singlesonsailboats.org), and you will find a section for Spring Training. You will see something similar to the paper registration form, also published in the *Whisker Pole*. Please note that you can only use a credit card online; we cannot process checks online. If you do not wish to use a credit card, you can register by mail with a check. See below.
- Cost: \$55.00 Member, \$63 after deadline, 75.00 Non-member and walk-ins.
- Choose the courses you would like to attend by clicking on the drop-down menu. **If a course you select is "full," it will not appear on the menu.** This is one of the advantages of registering online. You will know your schedule when you register. Please note, however, that last-minute changes are possible due to circumstances beyond our control, so be sure to check-in at registration for your materials.
- Cancellations must be received via phone or e-mail no later than **March 11<sup>th</sup>**.

#### **To register by mail:**

Use a zero if you do not have a second or third choice, or if you do not wish to attend anything during that session. Entering a zero will not assure you your first choice, however, because classes are assigned in the order of registration.

## Cruising Corner

We are excited to unveil the 2019 Cruising Schedule! Although there may be a tweak here and there, you can start putting the dates you want to sail on your calendar. There are a couple of new spots (Chesapeake City for a 4-day cruise!), and some new themes-- Navigation Cruise anyone? And we have brought back some oldies but goodies: how about Twilight sails mid-summer when it is just too hot in the afternoon? These sails are intended to start about 3PM, and return around sundown (or whenever skipper deems appropriate). The Memorial Day cruise to Solomon's, and the Oyster Fest cruise to St. Mike's are returning, due to their popularity. And for those of you wanting to see more of the Bay: a 2 week (almost) cruise to MobJack Bay, leaving from Solomon's Island on Memorial Day weekend. For day sails, the Blue Angels practice cruise, Great Schooner race, mid-week sails. Truly, there is something for everyone, so start marking up your calendar now! (Most events open for registration about 6-8 weeks prior to the event.)
