## Town Hall Meeting - August 14

**Free Food! Great Entertainment!**

Meet Board Candidates and participate in the General Membership Meeting.

Are you new to SOS? This is your chance to get to know us in a fun and personal way at no cost! There is a Day Sail scheduled for August 14<sup>th</sup>; this meeting is timed so that you can do both. Some skippers may also choose to sail in to Port Annapolis Marina and pay their own cost for a slip. As we did last year, SOS will once again gather for this event at the Overlook Pavilion at Port Annapolis Marina.

The club will be electing four new members for the Board of Directors for two-year terms this September. Cherie Comly, Bev Nash and John Parsons have volunteered to be our Nominating Committee with Anne Bastian as Chairman. The Town Hall Meeting is your opportunity to meet candidates and hear what they have to say.

If you are ready to bring your energy and talents to support our club by providing positive leadership, ideas, and coordination with other SOS volunteers....or you want to nominate another who you think can do the same... please know that nominations from the Floor are part of the fun. Any eligible member of the club may be nominated and seconded from the floor of the Town Hall Meeting.

All members who accept a nomination will appear on the September election ballot.

The General Membership Meeting schedule is:  
 5-6 Happy Hour  
 6-7 Dinner  
 7- 9:00 Business Meeting  
 9:00 Clean up and close

This event is free for all members. So come out, visit with your SOS friends, meet the nominees and hear what they have to say. The meeting will be at Port Annapolis Overlook Pavilion, 7074 Bembe Beach Rd, Annapolis, MD 21403.

Drinks and dinner for all attendees will be provided with compliments of SOS. Non-members may come to the dinner for \$25.00 per person if they attend with a member. Walk-ins will not be admitted for dinner.

Please volunteer to help with set up. Many hands make light work. Contact Robin Meigel at [rmeigel@hotmail.com](mailto:rmeigel@hotmail.com).

## Seafood Feast, Party, Dance & Cruise August 21-22

The Seafood Feast is almost here and if you haven't signed up yet to sail or drive in, get on the stick!

Meeps Yox visited the venue and the "New" Haven Harbour South Marina Resort is beautiful! All of the buildings

have been updated and in addition to the wonderful, much-used (by us) swimming pool, there are now inside lounges (think air conditioned) to enjoy, outside decks and beach cabanas as well as many other new amenities.

Haven Harbour South (previously known as The Sailing Emporium) always had free bikes for our use, but now **Kayaks and Stand-Up Paddleboards** are also available.

Come on out and enjoy the fun of seeing SOS friends, enjoying ridiculous amounts of food and drink, and having a spectacular evening by the water!

**5:00** Registration and Happy Hour with Wine and Beer (sorry no signature drinks this time!)

**6:00** Appetizers:

- Vegetable Tray
- Shrimp
- Smoked salmon

Dinner

- #1 CHESTER RIVER CRABS- the star of the show!
- Crab cakes
- Fried chicken
- Potato salad
- Tomato and Cucumber salad
- Broccoli salad
- Corn on the cob

Desserts

- Lemon cake
- Brownies

**7:00** Music begins with Andre the DJ setting up under the Beach Bar, with tunes (suggested by members and tested out at the Anniversary Party)! Plans are for dancing on the beach so we can enjoy the sunset and not miss out on the music! Make your plans and help SOS celebrate being together once again!

## VIEW FROM THE BRIDGE

### MANY HANDS MOVED SOS AHEAD

As I write this, SOS is again offering a full schedule of sailing events, marina parties, happy hours, and even a dinghy dance! We have come a long way from the fears and isolation of summer 2020. Despite a near total shut down, most members hung in and we are even now enrolling new members at a slow but steady pace. Our budget stayed flat last year, we lost very little, and in 2021, our revenue picture looks healthy.

So, how did we get here and back to normal so quickly? Again, it was many hands; some in official club positions and some from behind the scenes.

From his official position as Education Chair, Bill Knapp produced a weekly series of educational sessions, offered via Zoom, at a time when SOS could offer virtually nothing else. The Spring "May Day Together" Training event was just about the first sailing related official function in a year!

John Rogers, in his official capacity as Cruising Chair, was instrumental in helping to both shut down SOS sailing in 2020, but also to get it safely reopened in 2021. Coordination was back, but with a new set of vaccine related questions designed to offer both safety and comfort for skippers and crew.

Janet Gonski, as chair of the Public Relations Committee, did more than simple marketing. She also coordinated a series of "Backyard Gatherings" which safely brought members together, in small groups outside, to meet, chat, and rekindle social relationships after a year of staying home.

Then there were the "unofficial" helpers who made major contributions behind the scenes. As alarm bells were going off due to lack of an official social chair, Carole Jordon and Meeps Yox, assisted by Barbara Mistrik, raised their hands and said "I'll help". As you might know, having no social planner equals having no parties, (including our popular marina parties!) But these ladies pitched in, and not only planned all three marina parties, but also cooked most of the food! Wow....and what successful parties! Carol and Meeps helped save our cruising parties in 2021.

Also behind the scenes are an army of cruise and party coordinators. Kudos to Kathy Haven for being the trainer and lead organizer for the cruising coordinators. (They had the added job of using covid vaccine status to screen participants this year.) Plus, whenever a really cool blast is needed, Kathy is the "go to" person.

And there are more! Chuck Fort is a super supporter of SOS sailing activities. He goes on most of our cruises, takes many crew along, and is raft captain as needed. Michael Sommer offers up his beautiful house and patio for any number of SOS events, including the July Dinghy Dance. Laura Gwinn sails regularly, taking numerous crew and also serves as our "New Skipper Greeter", contacting newly joined skippers to offer information and assistance.

This is just a sample of the many SOS Members who pitched in, whether as part of their official function or not, and who contributed to successfully moving our club through the pandemic and into a summer of normalcy.

Many Thanks!

**Sandy**

**Donation is easy – use the donate button on the SOS website!**

Over 30 sponsoring companies have confirmed their support to make the event a success. With the State of Maryland opening up on July 1st, CRAB will host its After Party at the Eastport Yacht Club. SOS will likely not attend as it conflicts with our wonderful Seafood Feast in Rock Hall.

However, there is a Skippers Challenge virtual fundraiser which kicked off on July 12th. You don't have to be sailing in the race to participate. The funds raised from the annual CRAB Cup event are nearly a quarter of the CRAB operating budget and serve to keep our sailing programs free of charge for CRAB guests. **Use the SOS donate button to participate in the virtual fundraiser!**

## Hospice Cup 40th Regatta - September 18th

Hospice Cup, a unique charity regatta, is America's largest charity regatta in numbers and dollars, Hospice Cup began in forty years ago in 1981 as an informal race among a small group of people interested in sailing and hospice care. Netting almost \$28,000, the first Cup was amazingly successful—and fun! About 35 sailboats raced from Annapolis to St. Michaels on the Eastern Shore of Maryland. A few private power yachts carried sponsors and guests as spectators. All celebrated the occasion at a post-race party at a waterfront home, where trophies were awarded.

To repeat the success and fun, the founders formed Hospice Cup Inc., an all-volunteer organizing group independent of the benefiting hospices or racing groups. They also recruited a local sailing club to dedicate an existing race on the crowded local schedule to the cause. Racing continued from Annapolis to St. Michael's for several years, then shifted to racing around buoys in the Bay, with everyone adjourning to a noteworthy party on the shore.

This year's funds raised at the regatta will help hospices in Maryland, Washington, DC and Northern Virginia with their **Grief and Bereavement Services** which is not often covered by insurance. Your contributions help ensure that these programs are available to all who seek them.

**Sailing:** Skippers click here to register your boat in the regatta:

Information about volunteer opportunities, shore party tickets and donations for Team SOS is not yet available. Watch for an email blast with more information coming soon.

## SCUTTLEBUTT

*(A communal water cask around which sailors traded gossip)*

On June 6 **Bob Morrow** crewed on a Jeanneau 35 from Eastport Yacht Club to Block Island, with stops at Chesapeake Inn & Marina on the C & D Canal; Payne's Marina on Block Island; Wickford, RI; Mystic, CT; Westbrook, CT; Faulkner Island, CT; Stamford, CT; Port Washington, LI, NY; through the East River and Hell's Gate in NYC; Utsche's Marina in Cape May, NJ and returning to Annapolis on June 23 at 6:40 AM after a non-stop overnight up the Delaware Bay and down the Chesapeake.

Contrary to popular rumors, **Jean Judge** is still alive & happily vaccinated. She is also enjoying her new home. The move was difficult during COVID lock-down, but accomplished thanks to her children.

On August 1st **John Rogers** will celebrate the marriage of eldest son James to his fiancée Elisabeth. Finally, COVID is letting them tie the knot. John couldn't prouder of the pair, and wishes them the happiest life together.

**Lorraine Fassett** has been having a wonderful, very busy post-Covid month with several different guests for a couple of days each. One guest July 4<sup>th</sup> weekend, was a cousin from Sweden who will be transmitting from here for Swedish Radio. Then off to Ocean City, NJ for a week with her son's family including her 6-year-old great-granddaughter. There is nothing like friends and family!

**John Swahn** writes: Four strangers on a boat is how it started. In late March I was asked to help move a Gemini Catamaran from Fort Myers to Houston, across the gulf and through the oil fields. I agreed and flew down to meet the owner and the two other crew members. None of us had sailed together or even met before this day.

It started off great, we sailed on the same tack in the same direction for 25 hours and over 135 miles off the coast. We then turned north to avoid the Gulf Stream. We were visited nine times by dolphins, even got to know a few. They ranged from pods of 6-35. Besides one crew member that learned all you need to know from watching YouTube videos, we were moving along nicely.

Then the batteries died, the head (grinder) jammed, the radio failed, sailboat wind indicator no longer worked. Basically, we learned the owner never had a survey done on the boat and at 150 miles off the coast we were learning what was wrong.

The worst part at 3:00 AM was when the batteries failed and we had sailed into an eddy. No worries, the owner asked me to take over. We dropped the sails, turned on the outboard and took a compass bearing and used a red headlight to sail to Niceville FL.

I flew home knowing that in five days I would be back to move the boat. This time with a crew of my choosing. Over the week repairs were made and once we returned, we headed for the oil fields of Alabama and Louisiana. Our target was The Deep Horizon at 135 miles off the coast. Once there we could turn toward Texas and go through the safety corridor. The goal was to bypass 90% of the platforms and underwater pipes.

Running into the wind with 12 to 15-foot waves made it slow going. By the time we reached the Deep Horizon Oil Platform we had 20 to 25-foot waves on our beam. This Gemini was rattling and screws were just falling off things.

After 20 hours of this the winds changed and were now coming up from behind. The waves also

changed to behind us. It was nice to roll down the 25 to 30-foot waves instead of fighting them. We had that Gemini running as fast as 11.6 kts and averaging 9. It looked like things were going to improve, but we are sailors so there is always a change.

We ran into some rain and we lost the moon at night but overall things went well. The only other thing that happened overnight was the boom vang just fell off, all the screws stripped out and it was done. We manufactured one using spare parts and continued. Arriving in Texas late morning in a heavy fog, with a grateful owner standing on the dock. Let's see where the next adventure takes me.

**Jean Wintermute** has been sailing in the BVI's post pandemic. Starting on June 15th, the BVI's opened up to vaccinated travelers who still need a PCR test to enter, but no quarantine necessary. So, she hopped on a plane to USVI, then a next day ferry to Roadtown, Tortola to join her friends on a 46 ft Beneteau monohull for 14 days of sailing.

The weather cooperated with 18 to 24 kts of east wind, some rain, but no tropical storms/hurricanes. Having a full two weeks, they were able to spend multiple days on Anegada, Leverick Bay, and different sheltered bays on Josh Van Dyke, enjoying snorkeling and swimming.

The BVI Islanders are so happy to see sailors and tourists return. Their biggest worries were where to eat dinner and where to get our Covid-19 PCR test to return to the US. Roadtown, Grand Bay, and Spanish Town were the only testing sites with limited morning hours and many travelers waiting in line.

She safely returned via a beautiful morning flight from Beef Island to San Juan PR.

## Who Are Real Boaters?

1. Real boaters can pack 30 cubic feet of groceries into a 20 cubic foot refrigerator.
2. Real boaters go to the boat show despite having used the last of their home equity to purchase a boat last year.
3. Real boaters know that you can get the "boat show discount" at any time.
4. Real boaters secretly cringe every time a guest walks into the head.
5. Real boaters can grill hamburgers PERFECTLY in five minutes - at night, in a hurricane, with a broken leg.
6. Real boaters are perfectly satisfied eating crackers and Cheez Whiz for breakfast.
7. Real boaters can climb a ladder or mast with one arm.
8. Real boaters can slip a boat out of the middle of a six-boat raft-up and re-tie without waking anyone.
9. Real boaters never run out of ice, but have run out of fuel at least once.
10. Real boaters have secretly pondered the consequences of shooting someone with a flare gun.
