## Cruising Corner

*Chuck Fort, Chair*

Now that the cruising season is off to a great start, it is time to think about the marina/land-based events this season. Some are coordinated, some are not. Some the club makes the reservation, some the skipper does. Some the club pays for the slip (with skippers taking at least one crew from coordination), some are paid by skippers. For all coordinated events, signing up early will help the coordinators plan.

For the Anniversary Party June 25-26 at Lankford Bay Marina, the club will reserve the slips and pay for those slips where the skippers take at least one crew from the coordination. For the skippers paying for their own slips, the price is \$2.25 per foot, and electric is \$8.00 per 30-amp connection,

For Independence Day, while it is too early to know where all the fireworks will be on which nights, one option is to go to St. Michaels for July 2, and Rock Hall for July 3, and sail home on July 4. Skippers can anchor out, rafting in pods or linear rafts near St. Michaels and Rock Hall. If the skippers and crew want to pay to be ashore in St. Michaels, two options are Higgins Boat Yard and the Chesapeake Bay Maritime Museum (CBMM). Higgins will take reservations for a minimum of three nights. The cost would be \$2.75 per foot per night. CBMM members at the Mariner level and higher can make a reservation on their website one month ahead (June 2 for July 2-4) for a two-night minimum stay. The cost

would be \$2.75 per foot per night. There are many marinas in Rock Hall to choose from with assorted prices and requirements.

The Town Hall Meeting will be held this year at the Chesapeake Yacht Club in Shadyside on the West River. This is not a coordinated sail-in event, but if skippers wish to sail in with invited crew, they can make arrangements through the Yacht Club using Dockwa or Snag-A-Slip at <https://www.chesapeakeyachtclub.org/visitors>

The Labor Day 4-Day Cruise will have one night at Zahnisers Marina on September 3. Because Zahnisers uses Dockwa for reservations and payment, we ask that skippers go to Zahnisers website, make their own reservation, and pay for the slip as soon as possible. If you need to cancel, you can get a full refund from Dockwa if done at least 72 hours ahead of time. Skippers can submit for reimbursement for their slip if they have at least one crew from the coordination. The Zahnisers website <https://shmarinas.com/locations/safe-harbor-zahnisers>

Oktoberfest will be held at Anchorage Marina in Baltimore September 24. Anchorage Marina uses Dockwa for reservations and payment. We ask that skippers go to Anchorage Marina's website, make their own reservation, and pay for the slip as soon as possible. If you need to cancel, you can get a full refund from Dockwa if done at least 72 hours ahead of time. Skippers can submit for reimbursement for their slip if they have at least one crew from the coordination. Anchorage Marina's website is <https://www.anchoragemarina.com/boat-slip-rentals-baltimore> If you add your BoatUS number when registering a Dockwa account, you will be able to get \$0.10 off per foot when making reservations.

The last weekend cruise of the season will be the Oysterfest at CBMM. This will be October 7 - 9, sailing to St. Michaels on Friday and returning home on Sunday. So that we can get reservations for the weekend, please email Chuck Fort at [saillrn@comcast.net](mailto:saillrn@comcast.net) by September 13 if you intention to go and note if you have a CBMM membership of at least Mariner level in the email.

I hope that this column provides some information for the upcoming sailing season that you find useful, and that we all have a great time on the water!

*Chuck*

## VIEW FROM THE BRIDGE

What were you doing in 1978?? Collecting the brand-new Susan B Anthony dollars? Watching the new show, *Mork and Mindy* or hooked on that other new one, *Dallas*? Chasing toddlers, wrangling with teens, starting a new business or teaching school? Maybe you were still in school.... high school, elementary, college? I was in Michigan knee-deep in Cub Scouts with a huge garden to tend to and sailing on our 22' Venture any chance we could carve out.

Fortunately for all of us, in 1978 some enterprising sailors were busy forming a new club here on the Chesapeake, Singles on Sailboats! Of the approximately 10 boats in the club, all were under 30'. But the enthusiastic members embraced the concept of sailing with other singles on the Bay! Weekend cruises were "a bit like tent camping", to quote Chris Wallis, who along with Bobby Frey, helped found the club. But the concept was a winner! As the club expanded and gained membership, new activities were added.....training days, educational seminars, brunches (we had to have something to do in the winter), house parties, marina parties, huge rafts, Bareboat Cruises....and did I mention PARTIES!

A Board of Directors was formed and committees developed to steer the various activities. Thirty-four different members have served as Commodore, with countless others as officers and committee chairs. They truly deserve a tremendous round of applause!

As you may imagine, the club has encountered and met many challenges through the years, and will encounter more as the years go on.

However, I remember when I joined 21 years ago, just how impressive this club is! Safety is a top concern, along with FUN! Great friendships have been formed and wonderful memories to savor. What have been some of your favorites?

So Happy 44<sup>th</sup> Anniversary, SOS! See you at the Anniversary Party on June 25<sup>th</sup>! Sign up early!

She has served as Vice Commodore, treasurer, database chair, brunch chair, has taught at Spring training and devoted additional time as coordinator and other positions as needed by the Club.

Steve Craig, as skipper of s/v Carnival, sailed with SOS for over 27 years. For those who drive in and wish to spend the night, you'll find the Mariner Motel and the Inn at Haven Harbor in Rock Hall. Make your reservations early; rooms fill up quickly during the busy sailing season.

5 p.m. – Happy Hour with Appetizers  
6 p.m. – Dinner, Champagne Toast to Former Commodores  
7 p.m. – Music and dancing

Channel your inner Saturday Night Fever vibe by dressing the part, or walking the walk. And, if you want to take a dip in the marina pool, remember to bring your swimsuit and towel. See you there!

### What is the “Dinghy Dance?”

The “Dinghy Dance” is a fun training session that focuses on the effective and safe use of dinghies. The training starts with a presentation on what a dinghy is, safety in a dinghy, what the legal requirements are in a dinghy, dinghy etiquette, and more. Then, since the training is held at a member’s private pool with a real dinghy, we are able to jump into the water and practice getting in and out of a dinghy on land and in deep water. We test some of the techniques that experienced dinghy users rely on, like a stepping strap or a line tied across the dinghy.

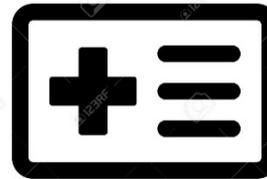

In addition, we have videos on different types of PFDs, how to put a PFD on in the water, which PFDs will give you the

most protection if you fall out of a boat, and a video on how to inspect and maintain your Inflatable PFD. (Yes, they do need to be maintained!) We jump in the pool wearing different types of PFDs to experience how they vary. We even have one person jump in with an inflatable PFD so participants can observe how the inflatable reacts.

The Dinghy Dance is scheduled for Saturday, June 18 from 1:00 to 3:30. Bring a towel and wear a bathing suit. Space is limited, so sign up soon!

### Important Medical Information, Often Overlooked!

The need to have an Emergency Medical Information Form on hand when we sail is not something we all like to think about, but in the event of an emergency it could be critical. SOS developed this form for members to have on hand if necessary. It’s posted on the SOS web site under Forms and Such, Cruising. On this form you put information on your emergency contacts, health conditions, medicines you are taking, health insurance information, and contact information for your doctor.... all the information a medical professional might need to care for you in an emergency.

To respect your privacy, most club members fill out their form and keep it in a sealed envelope. When they sail, they leave their sealed envelope on the boat’s nav station to be turned over to a medical professional in an emergency. When the member completes their sail, they take the sealed envelope back home with them to use again on their next sail.

I recently opened my envelope, looked at my Emergency Medical Information Form, and realized I hadn’t updated it in years. So, if you don’t have this form, please start carrying it. And if you’ve been carrying the same one for years, this is a great time to review and update it. We’ve been told by the paramedics at the Annapolis Fire Department that they think this is a great system that could make a big difference in an emergency!

## Howard S. Newman SOS Skipper for 32 years

SOS skipper Howard Newman passed away on May 13, 2022. No information about an obituary or a memorial service was available in time to publish here.

## Skippers io Group

With all the uncertainty and frequent changes we have been dealing with during the pandemic, how can a skipper keep up with what other SOS skippers are thinking and doing? Join [SOSskippers@groups.io](mailto:SOSskippers@groups.io)!

[SOSskippers@groups.io](mailto:SOSskippers@groups.io) is an official means of communication among SOS skippers. To participate, you must be a skipper in SOS, on the Board of Directors, or Chair of the Cruising, Safety, or First Mates Advisory Committee.

As the Bay sailing season approaches, skippers are sharing information about challenges of getting their boats ready, keeping up with the Club's plans, and talking about their own plans for the season ahead.

To become a member of this group, contact [smallfavours@hotmail.com](mailto:smallfavours@hotmail.com) and ask to be invited to join or go to [groups.io](http://groups.io) and follow the instructions to join. Either way, be sure to use the email address in your profile in the SOS online directory or one which clearly identifies you. This is needed to allow those handling membership approvals to know that you meet the criteria to join. If you have any questions, contact Bill Small at [smallfavours@hotmail.com](mailto:smallfavours@hotmail.com).

## SOS Members io group

The SOS io group is the **unofficial** online communication for SOS members, providing a convenient way for discussion of various sailing related topics. It is also a tool skippers can use to recruit crew for an impromptu day of sailing or to request a boat helper. Need to arrange a carpool to an SOS party – this is a good way to reach out to members.

You can join, leave and rejoin most subgroups without moderator intervention. You can turn on or off emails from any subgroup you are part of and even to the main "All" group. So you could restrict your emails, for example, to only [Skippers@sos.groups.io](mailto:Skippers@sos.groups.io) if you were a member of that subgroup. NOTE: Skippers group membership is moderated, and restricted to only be skippers, board members or relevant committee chairs.

Here are the *\*very simple\** steps for you to join the new SOS email group.

### STEP 1 - Get a groups.io account

1.1 In a browser, go to <http://groups.io> and click Sign Up in the upper right corner. Follow the directions to register an account email (use the one you get SOS email at).

1.2 In your email, look for the "Verify your account" email and click the link to verify you are the owner of the email address you registered with.

### STEP 2 - Connect to the SOS group

2.1 In a browser, go to <http://sos.groups.io> and click the blue "Apply for Membership In This Group" button near the bottom.

2.2 Wait until a moderator okay's your subscription (the moderator will first verify that you are an SOS member, based on your email used to subscribe). You will know this is done when you get an email welcoming you to the group. Read that email, then browse to the site <http://sos.groups.io>.

### STEP 3 - Optional - Join one or more subgroups.

3.1 On the main SOS page on the left is "Subgroups". Click that. From the list of subgroups, click one that you are interested in. Read the description and if you want, the Message History of that subgroup. If you want to join the conversation and get email when someone posts there, go to 3.2

3.2 On the main subgroup page, click "+Join This Group" near the bottom. You will be automatically added to the Subgroup. Photos, Files and Databases can be uploaded by any member of the main group or subgroup (subgroups have their own Photos, Files, and Databases

## SCUTTLEBUTT

### A communal water cask around which sailors trade gossip

Team Circe (**Kati & Harry Keith**) is heading north again this summer. Harry and Kati will leave the first week of June for the "Down East Circle." This route is NYC to Albany (where the mast is removed), up the Erie to Oswego NY (and put the mast back in), to Kingston Ontario and the Thousand Islands, Montreal, Quebec, down the Gulf of St. Lawrence to Prince Edward Island, Newfoundland, Nova Scotia, and home. Return planned in early October. Follow them at [circe.travelmap.net](http://circe.travelmap.net)

**Angela Weathers** is traveling in Trinidad and Tobago with her partner **Timothy Nelms**. Hiking, pool party dancing. "Bamboo Cathedral tropical trails." Stayed in an Airbnb owned by a sailor (French) who was unloading a boat from a recent voyage. African, Spanish, French influences. Good food and drink. Restrictions are lowering, but still have to wear masks outside on the streets.

Over the winter, **Nancy Harrison** completed ASA 105 Coastal Navigation with the Maryland School of Sailing and Seamanship and the USCG Auxiliary's Sailing Skills and Seamanship course over Zoom with the Casco Bay (Maine) Flotilla. She hopes to spend most weekends this sailing season on OPBs and will repeat ASA 104 in a women's course by MDSSS in September. At this writing, she is day sailing in Croatia. Red-right-returning doesn't work there!

**John Parsons**, having just returned from a photo workshop in Utah, had a misstep on the stairs at home, resulting in 80% tear of his right quad tendon. He is recovering from surgery but will be shore bound until August. Nurse Nancy is in attendance. The launching of the newest version of *Water Music* has been postponed until later this summer.
