## **Cruising Corner**

We have kicked off the 2025 Cruising Season – 85 days of sailing on our beautiful Chesapeake Bay!!! In our wake is the cruising kickoff, flare & safety training, one of three dockside trainings, raft-up training, spring training – so now we are ready to go!!

If you are new to the club, didn't attend these trainings, or have low experience – no worries. We want you to come out and sail! We are very inclusive of all levels of experience and will match you with the appropriate day sail/cruise, boat, and crew to enable a safe and fun experience!

We started with a mid-week Day Sail on April 30 which hopefully removed the cobwebs from our boats and brains and will end with a Blue Lips Cruise on Nov 8 and 9, where we will have well-honed skills and friendships.

There are a variety of types of cruises in the schedule, providing you a good selection based upon your desires – day sails, weekend cruises, extended cruises on Memorial, Independence Day, and Labor Day.

Please check the cruising schedule: [https://www.singlesonsailboats.org/assets/documents/cruising/2025SOS\\_Cruising\\_Calendar.pdf](https://www.singlesonsailboats.org/assets/documents/cruising/2025SOS_Cruising_Calendar.pdf) and register soon!

The longest trip is a 2-week extended CBDB cruise to Yorktown, on May 24. See details below!

I want to thank the many members that are working tirelessly behind the scenes to plan, coordinate, and execute our cruises!

See you out on the water!

### **SLIPS FOR ANNIVERSARY CRUISE**

Did you know that SOS gets a significant discount on facility usage at Port Annapolis when we have 15 or more boats in the slips? Even if your boat is nearby, we encourage you to attend by boat to help us take advantage of this discount.

### **CBDB IS BACK FOR 2025**

*by Laura Gwinn*

Does lots of sailing without the cost of flights or charters appeal to you? How about exploring new rivers, creeks, ports of call in the comfort of a boat you are familiar with.

The Chesapeake Bay Domestic Bareboat (CBDB) aka the Extended Bay Cruise, is back for 2025. Mark your calendars for 10 days to 2 weeks May 24-June 8.

While details are still being discussed, the general plan will be to go from the Memorial Day cruise on the Choptank /Little Choptank to Yorktown (2 days) and Cape Charles (2 days) then work our way back up the Bay.

Each boat will be responsible for their expenses, although there will be a small cruising fee for crew.

There will be a suggested itinerary, but each boat will determine how closely they want to follow it. Decide for yourself if you want to anchor or use a marina; do you want to go to a different destination?

Skippers will be responsible for inviting their own crew, although I will maintain a list of interested crew to share with Skippers who may need additional members.

Skippers: If you are interested, please contact me now at:

Crew: I will maintain a list to share with Skippers. DO NOT register until you are invited by a skipper!

## VIEW FROM THE BRIDGE

Susan Zevin, Commodore

Ahoy, Mates,

As we launch into another sailing season, it's a great time to reflect on how far we've come—and what lies ahead. For

SOS, the rhythm of the year follows a steady beat: winter planning, spring prep, summer sailing.

Planning is when we take the long view—setting priorities, aligning finances, and shaping programs that support our mission. The SOS brand stands for excellence in education, safety, sailing, and socializing. This year we kicked things off with a December Board Retreat with many new faces in leadership positions. Since then, we've focused on understanding how the club functions, improving key processes, and documenting roles and responsibilities in our Continuity of Operations plans.

We listened, shared ideas, and tackled priorities: post-COVID financial recovery, modernizing our internal and public-facing systems, adding leadership depth, and streamlining crew coordination. With that foundation, we rolled out our winter, spring, and summer programming.

Preparation and Operations are where the "keel meets the water." This is the hands-on work of making plans real.

Our first big challenge: Education Day at Anne Arundel Community College. With 123 participants (including walk-ins), 29 presenters, and 19 volunteers, it was a hit. Huge thanks to Mylin Jordan and team for pulling it off—and breaking even financially.

Our final winter brunch brought a strong crowd and a visual treat: our

SOS photo competition and retrospective. Speaker Dave Bleckman shared expert tips and humor, highlighting what makes a photo pop. He even offered to lead a spring photography seminar to encourage more members to capture the SOS experience. Thanks to George and Shirley Hollendursky and Ned Schwartz, that seminar already is scheduled for June 28.

Spring training rolled out with more preparatory programming: Flare and Safety Day at Camp Letts (always a hands-on favorite), the Cruising Kickoff for skippers, and Dockside Training for crew.

Now, in May, the real fun begins—we're on the water! That means full-time operations to ensure safe and sound cruising. Every crew member must sign a waiver and hand a sealed medical form to the skipper before boarding. Pre-cruise safety checkouts on board aren't just formalities—they're critical. Skippers are tracking weather days in advance. The Bay is beautiful, but fast-changing. Storms, heat, late-night raft break ups, anchor resets—our skippers and crew are ready 24/7.

It takes all of us to make the season work. Here's to a safe, adventurous, and fun summer and fall! With lots of PHOTOS!

## DNR Party on the Wye River May 17-18, 2025

It's off to the races and time to sign up for Social's first Cruise/Shore party of the season at the beautiful DNR Natural Resources Management Area (DNR-NRMA) on the Wye River, May 17-18. The theme for this year's party is "Off to the Races!" to coincide with the 150th running of the Preakness on Saturday, the 17th.

Whether you're on a boat or driving in, get ready for great food, drinks, music, and dancing. This is a wonderful time to reconnect with old friends and meet new ones.

This year's menu includes Pulled Pork, BBQ Chicken, Salads, Drinks, and Desserts. A vegetarian entree is also available. Please indicate your preference upon registering. Music will be provided by *DJ Infinite Sounds*, with a wide selection of songs sure to get everyone on their feet.

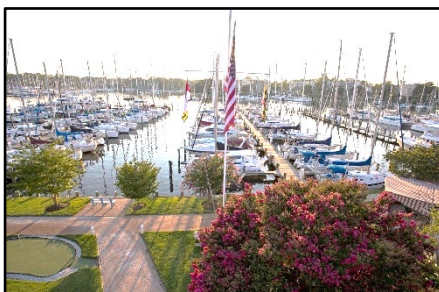

Those cruising in will anchor and dinghy ashore.

Anyone arriving early Saturday is welcome to assist us with party setup and prep – extra hands are always a help! You're also free to bike/hike around the beautiful grounds or just relax and watch the SOS fleet arrive. If you're driving in, please bring folding chairs so there is plenty of seating for relaxing by the creek and sitting around the firepit! Speaking of the fire pit, we'll also be making S'mores so be sure to save room for a second round of dessert!

## Sailing Fitness Program

SOS has a Sailing Fitness program to help members self-assess their physical ability to perform certain sailing tasks. This helps skippers invite a balanced crew to sail on their boats and divide typical sailing tasks. It's similar to the way we ask members to provide information on their Sailing Experience.

As we get ready to start a new sailing season, this is a good time to go in to your profile and update your Sailing Fitness.

Did you have knee replacement surgery and aren't fully recovered yet? Did you pull a muscle in your back? Or did you work hard over the winter to improve your fitness?

Your Sailing Fitness might vary for any number of reasons over the year. We suggest you review it every time you register for a sail.

Thank you in advance for supporting this important SOS Safety program and helping us get a good balance on all our boats.

We look forward to seeing everyone out on the water in our upcoming sailing season!

## New Zealand Bareboat Cruise Recap

Written by the crew of “Shard”

### Crew member Kathy McFadden

This was the first time for crew members Linda Pierce, Jo Young and Kathy McFadden on a SOS bareboat charter. There was a great deal of preparation in advance for the trip. Skipper Jon arranged for the crew to meet at his house for dinner and sail on his boat. All the 38 crew members sailing to New Zealand met for Deb Kaufman's excellent informational meeting hosted by Michael Sommers.

During our meetings, Jon set the tone for our trip by having all crew members express what they would like to experience on the seven-day sail. That was the theme throughout the trip. First Mate Mark developed a comprehensive spreadsheet that included suggestions of islands to visit, marinas, points of interest and meal preparation.

Being in a confined space with five people for seven days can be overwhelming; however, the experience on our boat was filled with a lot of li. Skipper Jon and First Mate Mark patiently shared the wealth of knowledge as we all worked together.

Skipper Gabi VanWie of the other boat that sailed the first week made arrangements for two extra adventures for both boats. We were special guests at the Devenport Yacht Club on Friday night before we set sail and having dinner at Lin Pardey's house! (See detailed article in April Whisker Pole.)

Other highlights were spending Tuesday and Thursday nights at the new marina on Waiheke Island. The owner, Tom Warren, joined us on our boat for an excellent Italian dinner prepared by Linda. Tom entertained us with his exciting sailing stories from around the world.

Many of the SOS members have been on numerous bareboat charters, and now I totally understand why!!! Thank you, SOS, for the opportunity.

### Skipper Jon Bernheimer:

CharterLink gave us a well-maintained Beneteau Oceanis 41.3 with only a few minor issues. Of my many charters, this was the first where we were expected to report in where we were at the end of each day, where there was a prohibition of running dead downwind if the wind was blowing above a certain strength, and a preference that we stay put at daybreak, again, if the wind was too high.

In week one, the winds were often blowing from where we were headed or from directly behind us. When directly behind us, our genoa gave us a little boost. In a nutshell, with the distances we traveled the first few days, we did less sailing than I expected we would.

The Crew was delightful, the scenery was beautiful, and the people of New Zealand could not have been more friendly or helpful.

### First Mate Mark Gordon:

We motored for the first five days in the Hauraki Gulf. That changed, thankfully, on day six. We'd spent the night in Woody Bay on the west side of Rakino Island. After pulling up our hook we headed southeast toward Waiheke Island, planning to spend the night in Waiheke Marina on the southeast corner of the island. It's a brand-new marina where we'd already stayed for one night and it's about two hours from Bayswater Marina, where we'd need to drop off the boat the following morning.

The southwest wind was brisk so we decided to sail west along the north side and nearly circumnavigate Waiheke Island. We were making seven knots under sail along the north side so all was good. Even after turning south past Kauri Point on the far eastern edge of Waiheke and passing by Man O' War Bay we were making six knots. Passing the mussel farm and tacking a few times we continued onward then turned along the south side of Waiheke. The wind held and we kept at it. We made the marina before 4 PM; those hot showers were calling!

### Crew Member Linda Pierce:

Living in a small town in Maine for the last 50 years, I never imagined myself half way around the world. The excitement and anticipation for New Zealand was incredible. My fondest memories are of the people. New Zealanders are the warmest, kindest and most welcoming folks I've ever met.

Along with that, the crew members I lived with for seven days on the Shard are smart, flexible and fun! We three women laughed so hard every day and created a friendship that will last a lifetime. This was my first SOS cruise in my second year as a member and I was the least experienced sailor. The crew was kind and patient and made my experience one that I will remember with a smile.

Thanks to our amazing crew photographer **Jo Young** who documented a memorable trip for all.

Crew members: Linda Pierce, Jo Young, and Kathy McFadden.

You may be curious about the meaning of the terms "Certification," "Certification Name," and "Certification Date" on your profile. These fields confirm that you have digitally signed a Cruising Waiver of Liability. Starting this year, the waiver will be presented to you for your digital signature when registering for a cruise, whether online or via a hard copy.

Below is a preview of the waiver you will be asked to digitally sign when you register for a cruise. Please contact the database committee if you have any questions or concerns: [dbrequests.sos.org@gmail.com](mailto:dbrequests.sos.org@gmail.com)

I will not hold any vessel upon which I may board during an SOS event, or its agents, Board members, or other associated personnel responsible if I am injured in any way (medically, accidentally or otherwise) while participating in an SOS event.

I agree to forever discharge, release and hold harmless any vessel upon which I may board during an SOS event, as well as SOS, its agents, Board members or other associated personnel, from any and all responsibility or liability for any and all injuries or damages which may arise from my participation in any SOS events ashore or afloat. In addition, a skipper/host may have further requirements or request other preventive measures (for example, crew or guests having received the currently recommended COVID-19 vaccine or wearing masks when below deck). ## Nautical Safety Terms

Do you know the international radio distress calls? If you are asked to be a First Mate or radio officer on an SOS cruise, do you know how to call for help, and under what conditions?

The nautical communication terms “Mayday”, “Pan-Pan”, and “Sécurité” are part of the International Radiotelephony Distress, Urgency, and Safety Signals established for maritime and aviation communication.

Here's a quick overview of their origins and meanings:

### 1. Mayday

- Meaning: Distress signal—used when a vessel or person is in grave and imminent danger and immediate assistance is required.
- Origin: From the French phrase “m’aidez”, which means “help me” or more formally, “venez m’aider” (“come help me”).
- Pronunciation: Repeated three times: “Mayday, Mayday, Mayday”
- History: Coined in 1923 by Frederick Stanley Mockford, a senior radio officer in the UK. He was asked to think of a word that would be easily understood by pilots and ground staff in both English and French-speaking countries (since much of the early air traffic was between London and Paris).

### 2. Pan-Pan

- Meaning: Urgency signal—used when there is an urgent situation that is not immediately life-threatening, such as engine trouble, a medical issue, or a navigational hazard.
- Origin: From the French word “panne”, meaning a breakdown or mechanical failure.
- Pronunciation: “Pawn-Pawn-Pawn” (though it's written “Pan-Pan”)
- Usage: Like Mayday, it's said three times to distinguish it clearly from casual communication.

### 3. Sécurité

- Meaning: Safety signal—used to convey important safety information, such as weather warnings, navigational hazards, or other critical information.
- Origin: From the French word “sécurité”, meaning safety.
- Pronunciation: “Say-cure-it-TAY” (emphasis on the last syllable)
- Usage: Also repeated three times: “Sécurité, Sécurité, Sécurité”—usually followed by the safety message, often on a working channel after the alert on Channel 16 (VHF).

These terms were chosen for international clarity, as they sound distinct and are easy to recognize under poor radio conditions or by non-native English speakers.

2. Pan-Pan

## Awards, Awards, and More Awards!

Each year SOS recognizes four members for their significant contributions of time, energy and talent to our all-volunteer Club. Nominations were from the membership and Board Members.

Recipient	Awards Presented at April Brunch
Craig Coltharp	<b><u>Commodore's Award:</u></b> The Board of Directors established the annual Commodore's award so that the highest-ranking officer of the Club could extend public recognition and many thanks to an individual who has made significant contributions in fostering the goals of Singles on Sailboats, and who continues to contribute to many aspects of the Club.
Jean Gough	<b><u>Elinor W. "Elli" Abramson Award for Contributions to SOS Education Programs:</u></b> Eli Abramson created many new educational programs for the members of Singles on Sailboats. After serving on the Board of Directors for two years, she gradually built an all-encompassing education program that provides the opportunity to broaden one's knowledge of sailing at minimal cost. She transformed the spring education program so that it attracts more participants than any other SOS event. Elli sailed beyond this world in 1992.

Recipient	Awards Presented at January Brunch
Suzanne Vaughn	<b><u>Ed Klein Member of the Year Award:</u></b> Singles on Sailboats owes its beginnings to Ed Klein. He co-sponsored the first rafts of two or three boats, the first brunches, the first social gatherings. But Ed offered more. He would teach you to sail without regard for your past experience or future expectations. Ed would take you aboard his boat, The Mai Kai, give you the helm, and develop your skills. He would challenge you to extend your horizons. He was one of those unique individuals who shared his joy of sailing with you. Ed sailed beyond this world in 1987.
Tina Lavato	<b><u>Rookie of the Year Award:</u></b> Singles on Sailboats attracts many new sailors each year. The Board of Directors established the annual Rookie of the Year Award to recognize the individual who, in his or her first year sailing with SOS, demonstrates superior interest in and learning about sailing, and who becomes highly involved in one or more of the many SOS programs.
Chuck Fort	<b><u>Ursula Skagen Skipper of the Year Award:</u></b> honors outstanding seamanship, navigation, and leadership by a skipper. Created by the Cruising Committee in memory of Ursula Skagen, a revered skipper and role model.

### Restore, Revive & Rejuvenate the Recognition Program

Before the pandemic, SOS had a wonderful recognition program that celebrated our members in four unique categories:

1. **Jump In Whenever**
2. **Keeps SOS Floating**
3. **Above and Beyond**
4. **Extraordinaire**

Each category reflects the spirit and dedication of our amazing community. For full descriptions, please refer to the *SOS Policies and Procedures* (as of June 2024) under Section #5: Membership in the SOS Membership Directory.

This sailing season, we're excited to bring this tradition back—and we want YOU to be part of it! Help us recognize those who embody these values by submitting your nominations. Think of the Spring Training volunteers—what a stellar job they did! Now's your chance to shine a light on someone you admire.

To nominate, simply send an email to me at [flavia4222@comcast.net](mailto:flavia4222@comcast.net) with the person's name, the category, and a few words about why they deserve recognition.

- Awards for the first three categories will be a **personal letter of recognition**.
- For the **Extraordinaire** category, our Membership Chair will present the winner with a **voucher for the SOS event of their choice!**

Let's celebrate the heart of our club—its people. I can't wait to read your nominations! - *Flavia Favali*

## Unofficial Board Notes March 6, 2025

*Official April full minutes will be posted on the SOS website when approved in April by the Board of Directors.  
In this month's WP we present minutes of the April General meeting as well as "Unofficial Board Notes"  
for both the April and March BOD meetings. These Notes have been very highly condensed,  
to eliminate duplicated material in the Committee Chairs' reports.*

**Commodore:** Susan Zevin — Meeting Called to Order at about 6:01 pm.

**Secretary:** Doug Gage — Minutes of the March BOD Meeting approved.

**Treasurer:** Janet Pennewell

	Feb 28, 2025	Dec 30, 2024
Club Checking Account	\$37,470	\$16,101
Hi-Yield Savings Account	0	13,594
7-Month CD	61,420	61,178
Bareboat Account	58,865	81,043
<b>Total Cash</b>	<b>157,755</b>	<b>\$171,916</b>
Club Credit Card - Chase	(\$6,732)	(\$180)
Credit Card – Wells Fargo	0)	(\$3,760)

The balances in our non-Bareboat accounts **increased by about \$8000** from the end of 2024 – primarily as the result of the influx of membership dues income. At the same time, the balance in the Bareboat account decreased as we made the final payments for the New Zealand charter boats.

I was able to renew our CD with Wells Fargo at a 4% annual percentage rate – that's down from the 4.75% we earned last year, but it will continue to earn us about \$2,400 per year.

Our independent financial review was completed by our accountants Gorfine, Shiller & Gardyn (GSG). They did not find any issues. A copy of the report will be distributed to Board Members together with a draft of our IRS tax filing for 2024.

**Cruising:** Laura Keough and Dana Stoffregen. From Linda Casucci: The 2025 Sailing Calendar has been posted in this month's WP, Regional Leaders have selected the sailing events they will be responsible for finding coordinators, and Members who have expressed interest in coordinating a sailing event and previous coordinators have been contacted. All the sailing events have an assigned coordinator to handle their coordination.

**Database:** Chair TBD; DB Team: Dennis Krizek, Don Yerger, Esther Massey, Carrie Will, and John McDonald.

Ahoy, esteemed crew of the Board!  
The Database Team finds itself navigating choppy waters in the absence of Carrie, our steadfast Team Captain. Without a steady hand at the helm, we've encountered the blustery headwinds of unexpected glitches and the treacherous tide of Members' Clicks idiosyncrasies, causing a few unintended jibes and near broaches. This humble deckhand, still learning the ropes of database seamanship, has been struggling to secure his Basic Database I Skills certification. Despite repeated training sessions, he continues to find himself ensnared in the rigging, unable to tie the quintessential IT bowline, and adrift in an ocean of queries and constraints. The Database Team members thank the Committee Chairs for their patience and encourages all to contact the team at the Help Desk email address ([dbrequests.sos.org@gmail.com](mailto:dbrequests.sos.org@gmail.com)) rather than to email individual members.

**Membership:** Pat Tracey. Six New Members and Five New Skippers who joined from December 2024 through February 2025 received SOS documents in the digital format.  
**Annual Dues:** Assisted members in the payment of their annual dues. Most errors occur when members are navigating the SOS website. I'm beginning the process to make phone calls with volunteers to remind members to pay their annual dues.

**Meeting with Area contacts:** Scheduling Area Contacts to attend a meeting in March.

**2025 Directory:** Doug Gage working on making revisions to the 2025 Directory on updating policies and bylaws. Will ask Rita Svec to start the process for completing the 2025 Directory

**Newsletter:** Julie Fort

The March 2025 Whisker Pole was published on the SOS website and sent out to members via email on March 1, 2025. It was printed and mailed to 32 members for a cost of \$263.99.

**Public Relations:** Janet Gonski and Victoria Rusakova. The PR team jointly (via email) designed an ad for the Spring Training event and ordered 1,000 4 X 6 postcards which we already received. We will turn over the postcards to a ST team member on Thursday for distribution. We also designed an electronic flyer that we want anyone with a marina, yacht club, boat club (Beneteau, Hunter, etc.) to share.

**Skippers Advisory:** Sandy Rosswork. There were two new skippers joining in February. That brings the total number of current skipper members to seventy-eight.

## Unofficial Board Notes April 3, 2025

Official April full minutes will be posted on the SOS website when approved in May by the Board of Directors.

The following text is abbreviated minutes.

**Commodore:** Susan Zevin — Meeting Called to Order at about 6:01 pm.

**Secretary:** Doug Gage — Minutes of the March, 2025 BOD Meeting were approved.

**Treasurer:** Janet Pennewell

	March 31, 2025
Club Checking Account	\$41,263
Hi-Yield Savings Account	0
7-Month CD	61,825
Bareboat Account	60,185
<b>Total Cash</b>	<b>163,273</b>
Club Credit Card - Chase	(\$4,871)
Credit Card – Wells Fargo	0)

The balances in our non-Bareboat accounts **increased** from the end of 2024 primarily as the result of the influx of membership dues income. At the same time, the balance in the Bareboat account decreased as we made the final payments for the New Zealand charter boats. I filed our IRS form 990-EZ (our income tax return) in March - I reviewed this with the board last month. And I filed our Annual Report/Personal Property Return with the State of Maryland  
**Bareboat:** Deb Kauffman and Heide Harper

**Spring 2025 – New Zealand** Two skippers were injured in accidents prior to the trip. One skipper withdrew: the other skipper continued with the trip. Post trip party planned for May 31.

**Fall 2025 – Lake Huron** Sept 7-13, 2025. Boats full, waitlist established. Looking for additional skippers.

**Spring 2026 & Fall 2026**, Currently looking for coordinators and locations for 2026.

**Cruising:** Laura Keough and Dana Stoffregen, Cruising Kickoff: Invitations for April 26<sup>th</sup> will be sent out shortly to all skippers, first mates, and coordinators. CBDB/Extended Cruise: Laura Gwinn hosted a zoom meeting with interested skippers. She is asking committed skippers and invited crew to register online. Laura is maintaining a list of interested crew to assist skippers in finding crew.

**Database:** Chair TBD; DB Team: Dennis Krizek, Don Yerger, Esther Massey, Carrie Will, and John McDonald. Researching best practices for blasts. All requests must be sent to [dbrequests.sos.org@gmail.com](mailto:dbrequests.sos.org@gmail.com) so that any of the team can update the scheduled Blast contents.

Blasts go out Sunday at 5:00pm. Requests for Blasts must be received by the Saturday before at 7:00am.

**First Mates:** Lora Donia. Jean-Pierre Pl'e has been accepted as a First Mate Candidate. All First Mates are encouraged to sign up to assist with the upcoming Dockside Training events scheduled for April 19 & 27 and July 19

**Membership:** Pat Tracey and Linda Casucci. Fifty-six Membership Renewals between Feb 1 – Mar 24 resulting in income of \$3,547. Some reasons for not renewing: health, work-related, money, and 1-2 stated bad experience with sailing. Most people contacted were left a message, and did not return our calls.

**Newsletter:** Julie Fort. The April 2025 *Whisker Pole* was published on the SOS website and sent out to members via email on March 31, 2025. It was printed and mailed to 33 members and 15 copies went to Happy Hour Coordinators. Shirley Brooks-Hollendursky will be publishing the May 2025 WP as I will be gone for most of April.

**Public Relations:** Janet Gonski and Victoria Rusakova.. Thanks to the Solomons Spin Sheet Crew Party team who represented SOS at the last moment and made connections with sailors, but most importantly, connected with Molly of Spin Sheet and our Catherine is going to collaborate on writing some articles for them. Even without a direct promo to SOS, it is great relations! Thank you, Catherine, for using your talents so well.

We have a set of possible dates to go to Thomas Point. When John Potvin came to our brunch, he said it would be \$90 and that is the price. But people seem to be interested so I explored. I tried to pick some dates that were not too close to a lot of our sailing weekends and the response from a few of you was fairly positive. But I had been picking Thursdays and a comment was made that some people didn't work on Friday and that might be more accessible.

**Skippers Advisory:** Sandy Rosswork. One new skipper joined in March.....on last day! S.A. Committee meeting was held on 30 March. Plans for the upcoming season were discussed. One idea is to offer some kind of training (to skippers who request) about backing under power into a raft or a marina. This needs to be explored!

**Social:** Tina Lavato and Kathy McFadden

**DNR Wye River Cruise & Shore Party, May 17th-18th (optional Fri. leave):**

- The Social Committee Co-Chairs and Event Managers, Meeps Yox and Linda Casucci, visited the DNR facility on March 13th so the Chairs could see the venue firsthand. A ranger nicely agreed to meet us and allowed us to tour both the Lodge and

Bunkhouse, and to look around the grounds. Both the Lodge and Bunkhouse are fully booked for the weekend by the Social Committee event staff.

- The rental fee charged for tables & chairs by *Eastern Shore Tents & Events* is now nearly double what it was last year. In view of this, it was decided that it is more economical to purchase a few folding tables and chairs for nearly the same cost as a one-time rental, and store them for reuse. The purchased tables & chairs, combined with chairs brought by attendees should more than meet our event needs.

**SOS 47th Anniversary Party-June 21st**

- The Anniversary party is on track: venue, caterer and D.J. are lined up. A few changes to the menu were made based on feedback from last year. We are hoping that we meet the 15-boat target for the slips at Port Annapolis.

**Seafood Feast-August 16th**

- The Seafood Feast event is on track; as with the Anniversary Party, the venue, caterer, and D.J. are lined up and will be the same as last year. Like last year, there will be a separate additional charge for those wanting steamed crabs. This proved to be a very popular option last year.

**Chili Cook-off-October 18th**

- As previously reported, the Social Committee will oversee the shore party for this event. The venue will be the same as last year, and two individuals have volunteered to be Event Managers. Look for more details as we get closer to October.

**Halloween Party - October 31st**

- Our Co-Chair, Kathy, worked some magic and has received the ok from her Church to use their meeting/gathering space for a Halloween Party, if we wish. The space is available on Oct. 31st, is equipped with a kitchen, fridge, etc., and is located in Edgewater, MD. A visit to the site will be planned in the future as well as further discussions on proposed event ideas.

**Other**

- To ensure that we have an accurate count of attendees at our events, we are emphasizing that EVERYONE who attends an event check-in upon arrival at the venue.

- The Continuity of Operations Plan (COOP) was completed and submitted to the SOS Commodore on March 31st.

**SOS GENERAL MEETING**  
**April 6, 2025**  
**Doubletree Inn, following April Brunch**

Board Members in attendance: Commodore Susan Zevin, Treasurer Janet Pennewell, Secretary Doug Gage, Bob Morrow, Michelle Watters, Irene Aronian, Gabe Ruiz

Absent: Vice Commodore Karl Scible, Rich Stewart

Guests: Total attendance was approximately 60 Club Members.

The Commodore called the Meeting to order at about 1:45 pm.

**MOTION** by Michelle Watters, seconded by Hope Andruss to accept the August 2024 General Meeting Minutes. **MOTION CARRIED.**

**Treasurer's Report** - Janet Pennewell

Janet presented this spreadsheet of 2023 Actuals and 2024 Budgeted Operating Net Income by Class:

	2023 Actuals	2024 Budget	2024 Actuals
<b>Admin</b>	\$23,603	-\$22,523	-\$25,294
<b>Board of Directors</b>	-4,576	-3,210	-4,987
<b>Membership</b>	22,223	22,200	23,050
<b>Brunches</b>	-543	-515	126
<b>Cruising</b>	-995	-2,113	5,173
<b>Education</b>	2,904	1,829	2,330
<b>Social</b>	- 2,019	-3,173	-207
<b>Bareboat</b>	2,865	1,500	-440
<b>Total</b>	<b>-\$3,742</b>	<b>-\$6,005</b>	<b>-\$251</b>

To strengthen the Club's financial position, we have considered a number of options that were presented at last year's General Meeting.

We have taken several steps to increase revenue:

- Increased dues to cover basic club admin expenses
- Increased event charges only as necessary to offset event expenses
- Invested in a high-yield CD

And we have also taken steps to reduce costs:

- Reduced the use of costly facilities — e.g., moved the Seafood Feast from Haven Harbor to Lankford
- Reduced the granting of "freebies" as appropriate
- But we have NOT reduced the quality of our events
- And we have NOT reduced/limited reimbursements

Janet presented the Club's financial outlook for 2025 in this spreadsheet:

	2023 Actuals	2024 Actuals	2025 Budget
<b>Admin</b>	\$23,603	-\$25,294	-\$29,700

**Cruising** – Laura Keough

Laura went through the 2024 Cruising calendar that begins after the April 26 Cruising Kickoff meeting in Galesville with the SERC sail-in/drive-in event (potluck lunch, facility tours) May 2-4. Yes, the Cruising Calendar is available online and in the Whisker Pole. Yes, folks can and should sign up now!

**Skipper Advisors** - Sandy Rosswork

Sandy reminded everybody about the Skipper Helper Program — prospective helpers should sign up with Emil Becker or Susan Vasco — and stressed the need for additional volunteers to serve as raft captains.

**Social** – Kathy McFadden, co-chair

Kathy introduced the Event Managers present, and described the social events, including a new Halloween Party to be held at her church (United Church of Christ of Annapolis).

**Membership** — Pat Tracey, co-chair

Have improved their process and saved money by moving away from mailing hard copies to electronic distribution of materials to new members, etc. Have removed cutoff date for online renewal. John McDonald presented numbers showing that our membership numbers have stabilized for the last couple of years. Annual renewal rate is about 80%. John also talked about how valuable SOS has been to him personally.

A person in the audience paid kudos for the friendliness and helpfulness of our members, specifically mentioning Bob Wright and Linda “CucciCucci” .

**Brunch** – Suzanne Vaughn

Suzanne is retiring after 8 years as Brunch Chair, and is soliciting leads for her replacement. Sandy Rosswork has signed Gary Jobson for the November brunch.

**Safety** – Joan Tannen

Joan once again encouraged everyone to wear their PFDs! She reminded everyone that Flare and Safety Day will be held on 19 April, and touted the fun Dinghy Dance in June.

**Commodore** — Susan Zevin

Susan thanked the Database Team for their ongoing efforts, and she mentioned the “hot button” folks should use to contact them ([dbrequests.sos.org@gmail.com](mailto:dbrequests.sos.org@gmail.com)). She mentioned that committee Continuity of Operations Plans (COOPs) are now being finalized. She made two points regarding Fireside Chats: (1) we need to have a clear policy/process for canceling in the event of inclement weather, and (2) providing dinner for 20 or so folks can be a challenge, and we might want to look at the costs...

From the floor, Becky Strandberg raised the possibility of creating a 501(c)(3) charitable entity to allow people to make tax-deductible contributions to support educational and other appropriate charitable activities of SOS. She will explore options...

**MOTION** to adjourn by Kathy McFadden, seconded by Linda Perkins. **MOTION CARRIED.** Meeting adjourned at 2:41 pm.

Respectfully Submitted,  
Doug Gage, Secretary
